Re: City of Lamar, Missouri
2021 Pole Replacements Contract #1

Dear Bev,

Proposals were received and opened at the City's office and Engineer's office on December 14, 2021, for the referenced project. The results are summarized on the attached Bid Summary.

Options available to the city include:

1. Accept the low bid of \$222,922.20 as provided by Kiowa Line Builders, Inc.
2. Reject the present bids and re-bid the project. Improvement in the bids is not expected for the following reasons:
 - a. Twenty-five contractors were invited to bid on the project and one provided a proposal.
 - b. Rebidding would require extending the completion date and would not likely result in lower bids.
3. Construct the project with the City's personnel. This is not practical given timing requirements of the project and the cooperatives present workload.

After reviewing these options, we recommend that the city accept the low bid submitted by Kiowa Line Builders, Inc. in the amount of \$222,922.20.

Ms. Bev Baker

Page 2

If the City of Lamar elects to accept the proposal submitted by Kiowa Line Builders, Inc., please obtain the following:

1. Four (4) executed copies of the attached page 19 "Acceptance".
2. Four (4) executed copies of the board resolution, if applicable, accepting Kiowa Line Builders, Inc. to accomplish the work.

Please forward these copies to our office. Upon receipt, we will notify the Contractor of the contract approval and request a "Contractor's Bond" and "Certificate of Insurance".

Please let me know if you have any questions.

Sincerely,

Michael H. Plate
Project Coordinator
